April 9, 2011

Thank you for joining me at Saturday's talk. Here are mail-order sources for just about everything I featured. Only the asclepias is now eluding me: the nursery that originated it suddenly went out of business. Sigh. Maybe this marvelous plant will be available at another source in Fall 2011. We live in hope!

Keep in touch if I can provide more information: [Louis@RGardening.com](mailto:Louis@RGardening.com)

Thanks again!
