Uncommon & Astonishing: Fun Horticulture From My Garden to Yours

The LaGrua Center
Stonington, CT

July 20, 2010

Thank you for joining me at Tuesday's talk. Here are mail-order & local sources for just about everything I featured. Only the asclepias is now eluding me: the nursery that originated it suddenly went out of business. Sigh. Maybe this marvelous plant will be available at another source in Spring 2011. We live in hope!

Keep in touch if I can provide more information: Louis@RGardening.com

Thanks again!
